Sehr geehrte Damen und Herren,

ich bin Historiker an der Universität Cambridge und bin mit der Leitung eines Projekt des Staatlichen Museums in Jersey (britische Kanalinseln) beauftragt, das mit der Besatzungszeit von 1940 bis 1945 in Zusammenhang steht. Unser Projekt soll das Schicksal von 88 Deportierten zu dokumentieren, die aus Jersey stammten und über deren Leidensweg sehr wenig bekannt ist. Diese Personen wurden aufgrund verschiedenster politischer Delikte in Gefängnisse und Konzentrationslager auf dem europäischen Festland verbracht, wovon 20 nicht mehr zurückgekehrt sind. Zum fünfzigsten Jahrestag der Befreiung wurden diese 20 Personen durch die Enthüllung einer Gedenktafel in Jersey posthum geehrt.

Ich würde gerne in Erfahrung bringen, ob das ITS uns bei unserer Suche unterstützen könnte. Die Namen dieser 20 Personen an denen unser Interesse zunächst am grössten ist liegen anbei zur Kenntnisnahme. Die Namen der übrigen 68 politischen Gefangenen werde ich bei Gelegenheit übersenden. Sollte es sich als notwendig erweisen nach Arolsen zu kommen, bin ich dazu jederzeit bereit. Sie können mich unter der Telefonnummer 01543-864231 erreichen oder ein Fax an oben genannte Nummer übersenden. Postalisch bin ich unter folgender Anschrift zu erreichen: Paul Sanders, c/o Jersey Archives Service, Jersey Museum, The Weighbridge, St Helier, Jersey JE 3NF, Channel Islands.

Mit freundlichen Grüßen,

Paul Sanders

Re: Inquiry of Mr Paul Sanders, residing in Jersey, Channel Islands

Dear Mr Dear,

Enclosed please find an inquiry of the historian Paul Sanders concerning 20 persons originating from the British Channel Islands, who did not survive the deportation and the ensuing incarceration during World War II.

As can be seen from the letter, Mr Sanders wants to draw up a documentation about these persons and is therefore interested in knowing their fate.

After checking the documentary material at our disposal, we have been able to ascertain files of previous years for 15 persons.

However, for reasons of data protection, we can only give information about persons registered here to their direct relatives, respectively with their authorization, to third parties. Therefore we are not entitled to provide Mr Sanders, who has repeatedly inquired about the stage of our investigations by phone, with any information about these persons.
