Stockport.

Dear Sir.

I thank you for your letter and instructions re claiming for benefits under the Agreement between the British and German Governments, relating to the Victims of Nazi Persecutions.

During the Occupation of Guernsey, I had an Officer of the "Organisation Todt" billeted on me, at my address in Saumarez Road, L'Etel, Guernsey. This officer made frequent journeys to France, where he acquired large quantities of cigarettes and tobacco. During this time I also had staying in the house the 17 year old son of a family friend. This lad was accused by the German Officer of stealing cigarettes from him, and I became involved, because he was in my house and he was a minor.

I was arrested and imprisoned in Guernsey, taken to Jersey where a document was read to me in the Court House, and which I did not understand, and I was informed that was I sentenced to 18 months imprisonment. I was then taken via Granville to St Lo, where I was held a short while and

then I was transferred to "Fort Velle near St George", where I worked for a short while in the "Gardeners Working Party". I was then taken to "Berneau" where I worked on the land. Next I was taken to "Dietz" and from there to "Ketz" where I was told that my sentence was finished and I was to return to the Islands. This did not materialize and I next found myself held in "Haus des Prison" in Paris. From there I was shipped in cattle trucks, with many others to "Buchenwald".

After my ~~release~~ release I returned via Paris to England. I am afraid I can not quote dates as calendars were among the things which I was forbidden. But I enclose papers to prove identification and furnish proof of my imprisonment in the camp. I also enclose my prison number, National Identification Label, Birth Certificate, Carte Rapatrie, and Identification Card from the Channel Islands.

Thanking you again and hoping that the information enclosed is what you need.

I remain

Yours Truly
Buckley.
